

Gasoline-Powered, Direct-Drive, Cold Water Pressure Washer with Handtruck Design

Commercial-Duty, Gasoline-Powered, Easy-to-Maneuver Cold Water Pressure Washer for Outdoor Cleaning

These commercial-duty, gasoline-powered cold water pressure washers offer the ideal balance between professional performance and value.

Powered by reliable Honda engines, all feature Kärcher's commercial direct-drive axial pump with 5-year warranty. Its swash-plate design has fewer moving parts than traditional pumps for smoother, quieter operation and longer life. The rugged steel frame, with its handtruck design and tubed pneumatic tires, is protected by an all-weather wrinkle coat. As an added bonus, the 9 and 13 HP models come standard with a 100' hose reel.

- Easy-Handling Handtruck
- Honda Engine
- Steel Chassis
- 50' Hose
- Pneumatic Tires

Dimensions:
22"L x 23"W x 35"H (42"H with hose reel)

- Easy-to-attach downstream **detergent injector** with brass soap nozzle
- Warning and **operating instructions** in three languages for owner liability protection
- Insulated stainless steel **wand** with quick-couple connectors for easy attachment of high-pressure nozzles
- Safety **thermal pump saver** valve protects against hot-water damage by venting recirculated water
- 10" tubed **pneumatic tires** for easy maneuvering on all terrains and to absorb vibration; front-mounted **rubber feet** also absorb vibration and keep the unit from "walking" during operation

- Rugged **steel frame** and **power platform**, with easy-to-manuever handtruck design, is painted with a black, wrinkle-coat finish for all-weather protection
- Five conveniently mounted, quick-couple **spray nozzles** for varying fan spray
- Reliable **Honda engine** with two-year warranty, low-oil alert and silent-tone muffler; 9 and 13 HP models have an EZ-start valve for resistance-free pull starting of engine
- Three-piston, direct-drive **Kärcher axial pump** with unique swash-plate design has fewer moving parts for a highly efficient, smooth and quiet operation; brass cylinder head ensures extra durability and extended life
- Insulated, high-pressure **trigger gun** for hours of fatigue-free cleaning
- 50' durable **wire braid hose** rated for 3000 or 4000 PSI
- **Inlet strainer** protects pump from debris in the water source
- Top-mounted 100' **hose reel** (comes standard only on 9 and 13 HP models) simplifies clean up and reduces risk of high-pressure hose being damaged

TYPICAL APPLICATIONS

- Agriculture
- Industrial
- Sidewalks, Stone
- Light Equipment
- Vehicles
- Roof, Gutters
- Home Siding
- Decks, Patios
- Fences, Porches
- Outdoor Furniture

WHY KÄRCHER

Kärcher is the most trusted name in pressure washers—a fact confirmed when Kärcher was the only brand

selected to clean the famous Mount Rushmore National Monument in 2005.

Founder Alfred Kärcher invented hot water pressure washing in 1950. Today, as the world's largest manufacturer of pressure washers, Kärcher is the recognized innovative leader in the industry with over 300 patents.
